LADIES AND GENTLEMEN:

Sunday afternoon at Cuppert Stadium there will be a four team doubleheader with the Philadelphia Stars meeting the New York Black Yankees in the first game while in the second encounter the Newark Eagles will face the Baltimore Elite Giants.

This day has been set aside to honor John Borian the great colored track star and as a added feature there will be a number of field events for the players of the teams. These will consist of a 100 yard dash, accuracy throwing contests for the outfielders and catchers and a wheelbarrow rolling exhibition between the managers.

Meet your friends and be present on this gala occasion which will be the biggest day in the history of Negro baseball in Newark.
